SIMEKSCOTT
THE POWER OF TAX, ADVISORY, AND TECHNOLOGY

Unlock the Power of Strategic Finance

As your business grows, so do the financial decisions that shape your future. Our Fractional CFO services deliver flexible and cost-effective financial leadership without the need for a full-time CFO. Whether you're optimizing operations, scaling with confidence, or preparing for funding, we provide the expertise you need.

Smarter Financial Leadership, When You Need It

We believe financial leadership should be agile. We meet you where you are and offer support tailored to your stage of growth:

Essential CFO Support

Designed for startups and lean teams building a financial foundation. Services include:

- Monthly financial reporting and review
- Short-term cash flow forecast
- Budget setup and variance monitoring
- Monthly financial check-ins
- Bookkeeper coordination
- KPI tracking

Growth CFO Partner

For businesses strategically scaling. Services include:

- Strategic planning and forecasting
- Scenario modeling and risk planning
- In-depth budgeting
- Bi-weekly strategy sessions
- Investor-ready financials
- Financial planning & analysis best practices

Executive CFO Leadership

Designed for companies requiring high-level financial strategy. Services include:

- Advanced risk management
- Stakeholder communications
- Advanced financial modeling, automations
- Fundraising
- M&A strategy, valuation, due diligence
- Exit-readiness planning

Why SimekScott?

Backed by deep experience in public accounting and industry, we bring trusted finance and accounting expertise across all stages of growth. Our strategic, hands-on approach delivers the clarity and insight you need to make confident decisions and drive results.

Let's Talk. Gain clarity, confidence, and control with CFO support tailored to your business.
