New headquarters office location enables SimekScott LLP to more efficiently serve their Mid-West clients.

Chicago, May 1, 2018 – SimekScott, a multistate tax consulting firm, has today announced that after two years in their original headquarters location in Chicago’s Loop district, they are moving to a larger office on Wacker Drive. SimekScott has also opened two additional offices within the past year, located in New York City and San Francisco. The new office space in Chicago will provide an expanded footprint, in a more central location, to better serve their Mid-West clients and support future growth.
