OVERVIEW

SimekScott is a multistate tax consulting firm committed to providing state and local tax ("SALT") advisory services to underserved businesses. We help large corporations, small and mid-size businesses, privately held companies and foreign companies navigate, plan, and manage the myriad state and local taxes, taxing authorities and exposures and opportunities with unsurpassed state and local tax services.

We believe the most effective way to bring sustained value is to partner with a client and gain a deep understanding of their industry, their business and their priorities and work to identify multistate tax trends that may affect their current state tax approach and advise on alternatives and best practices.

OUR CLIENTS

We advise companies of all sizes with a focus on middle market business from across the United States and the around the world . Our clients have access to all of our state and local tax professional ("SALT") across the United States as well as our various thought leadership publications - articles, videos and monthly newsletter.

OUR PEOPLE

The quality of our people determines how well we serve our clients and we focus tremendous resources on identifying, hiring, and developing them. All of our professionals have spent the majority of their careers in state and local tax and are leaders in their specialties.

OUR KNOWLEDGE DEVELOPMENT

We annually review, update and invest in our firm's resources, technology and knowledge development, which allows us to bring the best thought leadership and advisory services to our clients.
